

OUR DOCTORS

Dr Yee Tai

MBBS(Hons), FACD, FACMS

Dermatologist & Mohs Surgeon

Dr. Tai graduated from the University of Melbourne and did his dermatology training in Victoria and the UK.

He is a Fellow of The Australasian College of Dermatologists (ACD) since 2009 after being awarded the college's Travelling Scholarship as the highest scoring candidate in the fellowship exam.

Dr. Tai completed his Fellowship in Mohs surgery in June 2011 and is highly experienced with skin cancer surgery and facial reconstruction, with over 5,000 cases of Mohs surgery performed.

He is an active member in the dermatology community taking on the role of Director of Training for the WA faculty of Dermatology. He is a visiting consultant at the Royal Perth Hospital and is well published in highly regarded dermatology journals.

Dr Tai's areas of expertise include:

- Mohs micrographic surgery
- Reconstruction with skin flap or skin graft
- Skin cancer management including malignant melanoma
- Skin disorders such as acne, rosacea, eczema and psoriasis
- Biologic therapy for inflammatory skin conditions
